## SUMMARY

---

Software engineer with one year of experience, skilled in developing and optimizing applications. Specializes in transforming user stories into seamless solutions, resolving critical bugs, and ensuring top-notch quality through rigorous testing. Proficient in **HTML, CSS, JavaScript, and Bootstrap**, with a focus on creating responsive and user-friendly interfaces. Passionate about **UI/UX design and performance optimization**, with a strong ability to learn and adapt to new technologies while delivering high-quality web applications.

## KEY SKILLS

---

- **Software Development & Testing** • **Interface Designing** • **Application Development & Optimization**
- **User Story Implementation** • **Bug Identification & Resolution** • **Development Process Streamlining**
- **Problem-Solving & Debugging** • **Efficient Team Collaboration**

## TECHNICAL SKILLS

---

**Technologies:** Python, HTML5, CSS, JavaScript, XML

**Framework:** Bootstrap, Odoo

**Database:** Oracle, My SQL, PostgreSQL

**Tools:** Visual Studio, GitHub, PyCharm, Microsoft Office

## KEY DEVELOPMENT PROJECTS

---

- **Domain: Window Application | Tech Stack: Python | May '21**
  - The YouTube Downloader application is a Windows-based system designed to develop and help the individual to download video and audio from YouTube externally
  - The project is developed to fulfill the requirement of users so they can watch and listen to video and audio, respectively, offline, out of YouTube
  - This application, developed in Python, can only be accessed in Windows and is built using PyCharm, an integrated development environment for Python development
- **Domain: Personal Portfolio | Web: HTML, CSS, Javascript, BootStrap | Jan'25**
  - Designed and developed a personal portfolio website using HTML, CSS, JavaScript, and the BootStrap framework for an interactive user experience
  - Wrote, modified, and debugged code to enhance portfolio functionality and responsiveness
  - Ensured seamless navigation and user engagement by implementing dynamic UI elements
  - Developed and deployed a fully responsive portfolio showcasing projects and skills

## PROFESSIONAL EXPERIENCE

---

**KathiawarTech** | Rajkot, Gujarat

Aug '23 - Dec '23

*ERP Engineer*

### Software Design & Installation

- Designing, developing & **installing software** solutions and developing **high-quality** software design and architecture
- Providing solutions by determining and designing system specifications, standards, and **programming** via Odoo Software

- Translating **user stories** into seamless solutions that guarantee optimal user experiences
- Implemented Odoo across multiple versions (**v11, v13, v14, v15, and v16**), ensuring seamless integration, customization, and performance optimization

**Quality Assurance & Performance Optimization**

- **Eliminated** critical bugs and implemented performance enhancements. Conducted thorough unit and smoke testing to **uphold the highest quality standards**

**Development Tools & Version Control**

- Proficient in industry-standard tools like **Visual Studio, GitHub, and pgAdmin4** within the context of Odoo.
- **Streamlined** development and testing processes, fostering efficient collaboration and ensuring effective version control

KathiawarTech | Rajkot, Gujarat

Jan '22 - Aug '22

Assistant ERP Engineer

- Demonstrated expertise in **analyzing complex requirements** and delivering high-impact projects
- Developed **cutting-edge applications** by translating user stories into robust solutions, ensuring seamless functionality, and delivering high-profile projects
- Swiftly **resolved critical user-reported bugs**, enhancing application performance
- Spearheaded Odoo (**v11, v13, v14**) to develop innovative solutions using its latest features

**EDUCATION**

IIIT-B, International Institute of Information Technology,

| Bangalore, IN

Feb '23 - Jun '24

Executive PG Programme in Software Development

- **Achieved a CGPA of 3.18/4.00**

Atmiya University | Rajkot, Gujarat

Jun '18 - Jun '21

Bachelor of Computer Applications

- **Achieved a CGPA of 8.77/10.00**

**ADDITIONAL INFORMATION**

- **Languages:** English, Hindi, Gujarati
- **Interests:** Reading, Writing, Blogger
